

Clapper Special Training/Exceptional Cases

A Big Live Gifter

Some fans have already spent a lot on the model's live performance on the Clapper platform.

For these customers, a special strategy must therefore be adopted, here it is:

1. Send a free Custom, but without nudity. Procedure:

The customer will introduce themselves as X, and in most cases say that they have given a lot.
@You have to ask a manager on the Telegram group if this is indeed the case, and check information. The manager will give you permission to lead the strategy.

Once the information is validated, you will send this type of message:

“ Oh (Nickname), thank you sooo muuuuch 😊 ! I'm going to make you a little gift, I'm sure you will enjoy it 😊 ”

Once sent, you must send the custom request in the telegram topic “Clapper Custom”:

-) Custom without nudity: First name/Nickname: *That of the Customer*

Custom received, you send the video free of charge.

2. Then he will ask for more by definition...
Mandatory speech:

"I'm really not comfortable doing more at the moment... we really need to get to know each other better, I need to trust you, I want to have fun with you too"

3. Wait until there is more privacy

You need an established connection, at least 2 cumulative hours of discussions. You need to follow classic strategies to create an emotional connection.

4. Once the connection is established, you have to make him believe that he has succeeded in seducing the Model Here is a message template that you can use:

"You cracked me up, I love our relationship... I feel good, and I'm ready to do more" Obviously, never in the middle of a discussion... Always... Use common sense... Once this message has been sent, you must wait for the customer to make the request

naturally...

When this moment arrives, you follow the classic procedure to have the custom created for the model, and invoice the customer.

The price is necessarily very high. \$500 minimum. Classic procedure for invoicing the customer, with tips.
