

Detailed Notes

Larger customers require special attention.

Each customer who has spent more than \$100 will have a special note.

You need to write down as much information as possible about this customer, and have crucial information.

You can find the structure of a general note below.

Inside, you'll write down all the customer information and more...

1. Personal Info

2. Current Life

3. Fan Personality

4. Mirrored Model Personality

5. Relationship Situation

In Love/X

6. Content Customer of?

Type of content consumed the most
